How long have you been with Powell?

20 Years.

What's a fun fact about yourself?

I met my husband at 4-H camp, when I was in the 7th grade. I was in sewing and cooking and he was a livestock guy. Thirty years later this led to us having goats. During the birthing process, in the dead of winter, one of the mothers died. We had to bring the baby into our house, make a bed for it in our garden tub, and bottle feed it every 3 hours. This goat, named John Lee, is still living on a horse farm in southern Allen County 8 years later!

What was your first job?

Working at the Ottawa Memorial Park doing yard work and umping baseball, softball and tee ball games.

What's your favorite part about your job?

Every day is different as are its challenges.

Favorite way to spend your free time?

Laughing, going to sporting events, and watching HGTV or any home improvement show.
